

COMPOUNDING HEALTH™

High-quality compounded ophthalmic preparations from Leiters.

Leiters, founded in 1926, provides hospitals, surgery centers, clinics and physician offices access to high-quality ophthalmology compounded sterile preparations. Our team of experts in sterile pharmaceutical manufacturing, repackaging, and compounding provide a sophisticated understanding of what it takes to elevate quality and consistency of supply. We combine our team, our robust processes and our state-of-the-art outsourcing facility to ensure the highest quality products and services.

Through 3 key pillars, People, Place and Product, Leiters is elevating the standards in pharmaceutical outsourcing.

PEOPLE

- Highly trained multifunctional teams of pharmaceutical experts ensure quality and regulatory compliance for all released product
- Relevant industry experience with sterile injectable pharmaceutical companies, hospital pharmacies, and academia
- Our customer experience team of regional based account representatives, account managers and customer service specialists work together to provide you with consistent and reliable service

PLACE

- FDA-registered and inspected, cGMP compliant 503B outsourcing provider
- Licensed to ship to all 50 states (+ the District of Columbia)
- Continuous facility environmental monitoring to maintain product quality standards

PRODUCT

- All sterile preparations are produced under 503B of the FD&C act (503B Guidance), Current Good Manufacturing Practices (cGMP) and USP <797>
- Release, stability, potency and sterility testing performed on every batch made
- Certificate of Analysis (CoA) provided with every shipment

Quality. Compliance. Consistency.

Ophthalmology Services.
